PRESS RELEASE | Now in 4th edition of Søren Kierkegaard's classic work *The Works of Love*

Stauer Publishing is pleased to announce the 4th edition of Søren Kierkegaard's philosophical masterpiece, *The Works of Love*.

This edition of the well-known and beloved work has been carefully edited by author and philosopher, mag.art. Jens Staubrand, who has given the work a modern update that maintains its depth and originality.

The Works of Love is one of Søren Kierkegaard's most profound and inspiring works, in which he explores the nature of love and its significance in human existence.

Stauer Publishing's edition presents the timeless text with sharp insight and reflection on how love is expressed in everyday life – not as a fleeting feeling, but as a conscious act characterized by will and ethics.

Søren Kierkegaard challenges the reader to reconsider what it means to love truly and unconditionally. He illuminates how love transcends selfish motives and becomes a driving force for good, rooted in the deepest human responsibility.

With profound philosophical analyses and living examples, *The Works of Love* is a timely reminder that true love requires courage, sacrifice, and a conscious decision to act out of love for one's neighbor.

This edition is ideal for both the committed reader of Søren Kierkegaard and for those who want to delve into one of his most relevant works for the first time.

With this edition, Stauer Publishing wants to bring Søren Kierkegaard's timeless work closer to readers and inspire reflection on the deepest essence of love.
